Computer Club Medical Systems

25 Years

1986-2011

WWW.CCMS-BEST.NL

Introduction

After a period of 25 year, the Computer Club Medical Systems shouldn't need an introduction anymore.

Founded in 1986 and with more than 2000 members in the past years, CCMS has grown out into a club where your computer hobby can be exercised to its full extend.

This week a lot of activities will take place to commemorate our 25 years of existence.

You are very welcome to join.

Exhibition

The exhibition will look back at 25 years of CCMS. Some very old still working computers are available for some games, or would you like to start up Word Perfect 5.2 again?

Website Group

The website group is ready to demonstrate our newly designed website. Also questions on how to build your own website will be answered. Every day the website is enriched with the latest CCMS news.

The video group would like to show you some things about the video hobby. Some demonstrations are ready to be shown: films about making travel routes, Video editing programs with some nice examples, Blue Screen demonstration and transferring 8mm film to the PC.

Audio group

Also in the area of audio we want to show you several items. For example the use of Cubase and on how to digitalize LP's.

Lottery

During the week we organize every day a lottery where the **PRICE OF THE DAY** will be drawn from all the people that have visited us that day.

On Friday we will draw the **MAIN PRIZE** from all the people that visited us this week.

MAIN PRIZE: A brand new computer worth 330 Euro.
